

# Recital Tight Guide

The following tights specifications are required for all recital performers. Please check your teacher's class costume specification sheets for the type of tight that is needed for each of your recital dances. These items are available through our dress code portal at [www.discountdance.com](http://www.discountdance.com). From the home page select "students" located on the upper right side of page. From the drop down menu select "find my dress code". Our studio code is 6525. From our dress code list please select "recital tight" from the drop down menu. If you have difficulty accessing our dress code list you can just insert the style number in the search bar from the home page. Please be sure to choose the correct style of tight (transitional, footless, stirrup) as well as the appropriate color. If you choose to shop for your items at local retailers please be sure to choose these style #'s and colors.
